

The floor plan shows a rectangular basement area. On the left side is a long, narrow room labeled "Heizraum" (Heating Room). To its right is a larger area labeled "Kellerraum" (Basement Room). A staircase is located in the upper right corner. The plan includes various dimensions: a total width of 1.65m and 1.05m on the left; a length of 4.6m for the Heizraum; and a staircase width of 1.3m. Technical specifications for the heating system are noted, including "L 20/900/110" and "V = 1/2\".
